EXPLANATION OF H. F. 113

The law limiting the per pupil levy for schools has been a handicap to many school boards in meeting the increasing costs of recent years. This bill proposes an amendment to section 298.1, Code 1946, to raise this amount to \$125.00 per pupil for all types of schools. This would not change the provisions of section 298.3, Code 1946, providing for an increase of thirty-five per cent above this upon permission of the state comptroller or of section 298.4, Code 1946, providing for an additional levy for transportation, or of section 301.4, Code 1946, providing for a levy for books and supplies.
